**UNOPPOSED MOTION FOR AN EXTENSION OF TIME TO FILE
POST-HEARING BRIEF**

1. On March 8, 2023, this Court held an evidentiary hearing and ordered the parties to file post-hearing briefs (ECF No. 48).

2. Petitioner moved for an extension of time to file his post-hearing brief (ECF No. 51), which the Court granted, ordering Respondents to respond to Petitioner's brief on or before July 27, 2023 (ECF No. 52).

3. Respondents respectfully request a 60-day extension to file their response. Respondents are actively preparing a response but require additional time to complete their review of Petitioner's post-hearing brief, the relevant record, and prepare an appropriate response. In addition to this response, the undersigned has numerous cases she is currently preparing responses to in both state and federal court. In addition to this work, at the time that Petitioner filed his post-hearing brief, the undersigned was preparing for and presented argument in the Third Circuit. Respondents appreciate the importance of this Court's deadlines and are only requesting the additional time out of necessity.

4. Undersigned counsel has conferred with Petitioner's counsel, Karl Schwartz, who does not oppose this motion.

WHEREFORE, Respondents respectfully request that they be granted a 60-day extension of time, until September 25, 2023, to file their post-hearing brief.

Respectfully submitted,
